Please note that many of the books are in PDF format. This means that you will need Adobe reader to read these books. If you don't already have it installed on your computer you can download it here. And don't worry it is free and very easy to use!

Once you have installed the reader all you need to do is right click on the book titles; and save them to your hard drive. Remember to name the files and store them somewhere that you can find them.

Many of the software products have been zipped with winzip as they contain several files

including sales pages and graphics. You can download Winzip [here](#).
